2021-2022 | ÜRÜN KATALOĞU
PRODUCT CATALOGUE

Bu katalogda kullanılan araç marka ve model isimleri referans amaçlıdır. Ürünlerimiz orjinal değışen parçalar olmamakla beraber orjinal parçaların yerine kullanılabilir.

All trademarks and veicle models (including their names and pictures) mentioned in this catalogue are for referance only. Our production is not original replacement parts but interchangeable againts original parts.

HAKKIMIZDA

1980 yılında ilk yardım çantası imalatıyla sektöre adını atan firmamız, 1983'te reflektör ve stop lamba imalatıyla devam etmiş, bugün otomotiv sektöründe hatırı sayılır bir konuma yükselmiştir.

ISIKSAN Otomotiv, bir aile şirketi olarak sayın Hasan YAVAŞSÖZ tarafından kurulmuştur. Küçükçekmece'de 50 m² lik küçük bir alanda başlayan serüven kısa süre içinde, yine Küçükçekmece'de 700 m²'lik alana taşınmıştır. Ancak işlerini günden güne büyüterek, bugün de faaliyet gösterdiği İstanbul/Silivri bölgesinde 4000 m² kapalı alanda uzun yıllar çalışmalarını sürdürmüş, ağır ve hafif ticari araçların stop-sinyal kuyruk-tepe ve çalışma lambaları konusunda sektörün enlerinden olmayı başararak kapalı-açık toplam 15000 m² alanda faaliyetlerine devam etmektedir.

Bugün "Stop, Sinyal ve Sis lambaları, Çalışma lambaları ve Yangın Tüpü Dolabı ve otomotiv aksesuarları" üretmekte ve ağırlıklı olarak ihracata yoğunlaşarak ülke ekonomisine önemli katkılar sağlamayı kendine görev edinmiştir. Başlıca ihracat yaptığı bölgeler: Bulgaristan, Cezayir, Fas, Gürcistan, İran, Irak, Kazakistan, Kosova, Mısır, Moldova, Romanya, Rusya, Şili, Ukrayna, Ürdün, Sırbistan ve Suudi Arabistan'dır.

Üretim kapasitesini ve ürün çeşitliliğini artırarak, tecrübeli ekibi ve tüm standartlara uygun hizmet sağlayacak anlayışla, gerekli görülen Belge (E, CE, ISO) çalışmalarıyla yoluna emin adımlarla devam etmektedir.

Kurulduğu günden itibaren güvenilirlik, kaliteli ürün ve uygun fiyat politikası ile sektörün aranan firmalarından biri olmayı başarmıştır. Her geçen gün gelişen makine parkuru ile daha kaliteli ve daha hızlı üretim amacına ulaşmaktadır.

ABOUT US

Our company stepped into the sector with the manufacturing of first aid kits in 1980, continued with the production of warning triangles and stop lamps in 1983, and today has become a considerable position in the automotive sector.

ISIKSAN Otomotiv was established as a family company by Mr. Hasan YAVAŞSÖZ in a small area of 50 m², then moved to an area of 700 m² in Küçükçekmece. Thanks to growing business relationships, our company continued its work for many years in a 4000 m² closed area in the Silivri/ Istanbul where current production successfully continuing in a total indoor-outdoor area of 15000 m² in today.

"Together with Stop, Signal, Side, Rear, Reflective and Working Lamps with Bulb and/or Led tail lights and automotive accessory production for Heavy and Light Trucks", our company focuses on export in order to provide significant contributions to the country economy. The main export regions are: Chile, Egypt, Ukraine, Bulgaria, Algeria, Morocco, Georgia, Iran, Iraq, Kazakhstan, Kosovo, Moldova, Romania, Russia, Jordan, Serbia and Saudi Arabia.

By increasing production capacity and product variety with its experienced team and understanding that will provide service in accordance with international standards, Işıksan Otomotiv continues on its way with the necessary quality process (E, CE, ISO).

Since the day it was founded, it has managed to become one of the sought-after companies in the sector with its reliability, quality products and reasonable price policy.

With its ever-developing machine park, our company achieves its goal of higher quality and mass production.
